'Vedic Mathematics important to enhance problem-solving skills'

TGPCET organises workshop on Vedic Mathematics

LOKMAT NEWS NETWORK
NAGPUR

Principal of TGPCET, Dr P L Naktode, has said that Vedic Mathematics is extremely important for enhancing mathematical problem-solving skills.

He was speaking during the inauguration of a two-day workshop on Vedic Mathematics organised by Department of Basic Sciences and Humanities of Tulsiramji Gaikwad-Patil College of Engineering and Technology at JRD Tata Hall recently.

Founders of S&SPL Swapnil Chandankhede said various mathematical tricks

Dignitaries during a two-day workshop on Vedic Mathematics organised by TGPCET at JRD Tata Hall.

can be derived from Vedic Scriptures. He captivated the students with ingenious methods of finding squares and simplifying multiplication, demonstrating the practical applications of Vedic maths in everyday calculations.

Swapnil Chandankhede during his talk on the topic 'The Power of Positivity From the Life of Indian Mathematicians: delved into the transformative power of positivity. Through the life of the legendary Math-

ematician Ramanujan, Chandankhede he unfolded a narrative of resilience and determination.

Chief guest Swagata Chandankhede showcased innovative techniques, particularly the utilisation of rangoli patterns to elucidate multiplication concepts.

While dealing with the topic 'The Math Magic Show' she captivated the students with her explanation of the principles

of addition and subtraction through Vedic Mathematics offering a fresh perspective on mathematical operations. Post-Evaluation test was conducted at the end of the session.

Principal of TGPCET, Dr P L Naktode, vice-principal, TGPCET, Prof Pragati Patil, Dr Mamta Takarkhede and head (first year) Prof. Nadir Husain and a large number of students were present on this occasion.
